Organizations may petition the CCYFL EB for a football player signing extension. Request must be made in writing @ the Weigh-Ins. If an extension is granted, the petitioning organization may continue to sign player(s) past the league's weigh-in date. All players signed after the weigh-in date must be weighed and added to the official roster for that team by the CCYFL-EB. No players may be added to any roster after the Friday prior to the 4th week of the CCYFL schedule.

New player(s) relocating into an established football organization may sign-up after the league weigh-in date, but no later than the Friday prior to the 4th week of the CCYFL schedule. Relocating player(s) must be able to provide CCYFL EB with documentation confirming their new resident status.
